

ASSOCIATION  
DE LA CONSTRUCTION  
DU QUÉBEC

# PROUD PARTNER OF CONTRACTORS

# DEDICATED TO THE GROWTH OF YOUR COMPANY

The Association de la construction du Québec (ACQ) is the largest employer group in the construction industry and represents nearly 18,000 contractors in the institutional-commercial and industrial (IC/I) sectors. It is also involved in the residential sector through its Plans de garantie ACQ (Guarantee Plans). With a view to helping contractors grow their business, the ACQ supports them in all facets of their business.

“Our mission is to support building contractors in growing their business and to defend their interests.”

**Francis Roy**  
President

Association de la construction du Québec

# BUILDING WITH REAL PEOPLE

With a network of 10 regional associations established in 16 cities across Québec, the ACQ offers contractors a local service, with a team of advisors available throughout the province. Whether it's for a technical question, support with an occupational injury file, interpretation of collective agreements, training, or a legal question, the ACQ has the right expert!

“ACQ advisors are always there to help. Whenever a need arises, I always get quality service.”

**Ronald Amyotte**  
President, Ébénisterie St-Patrick  
Proud ACQ member since 2009

# BUILDING THE FUTURE TOGETHER

To promote new practices in labour relations, health & safety, technological innovation, sustainable construction, ethics and integrity, the ACQ works with many experts and various industry stakeholders to improve, optimize and develop the construction industry. The ACQ participates in discussions on major issues and proudly plays an active role in advancing them.

“The ACQ defends the interests of contractors and helps advance major issues with public and government bodies.”

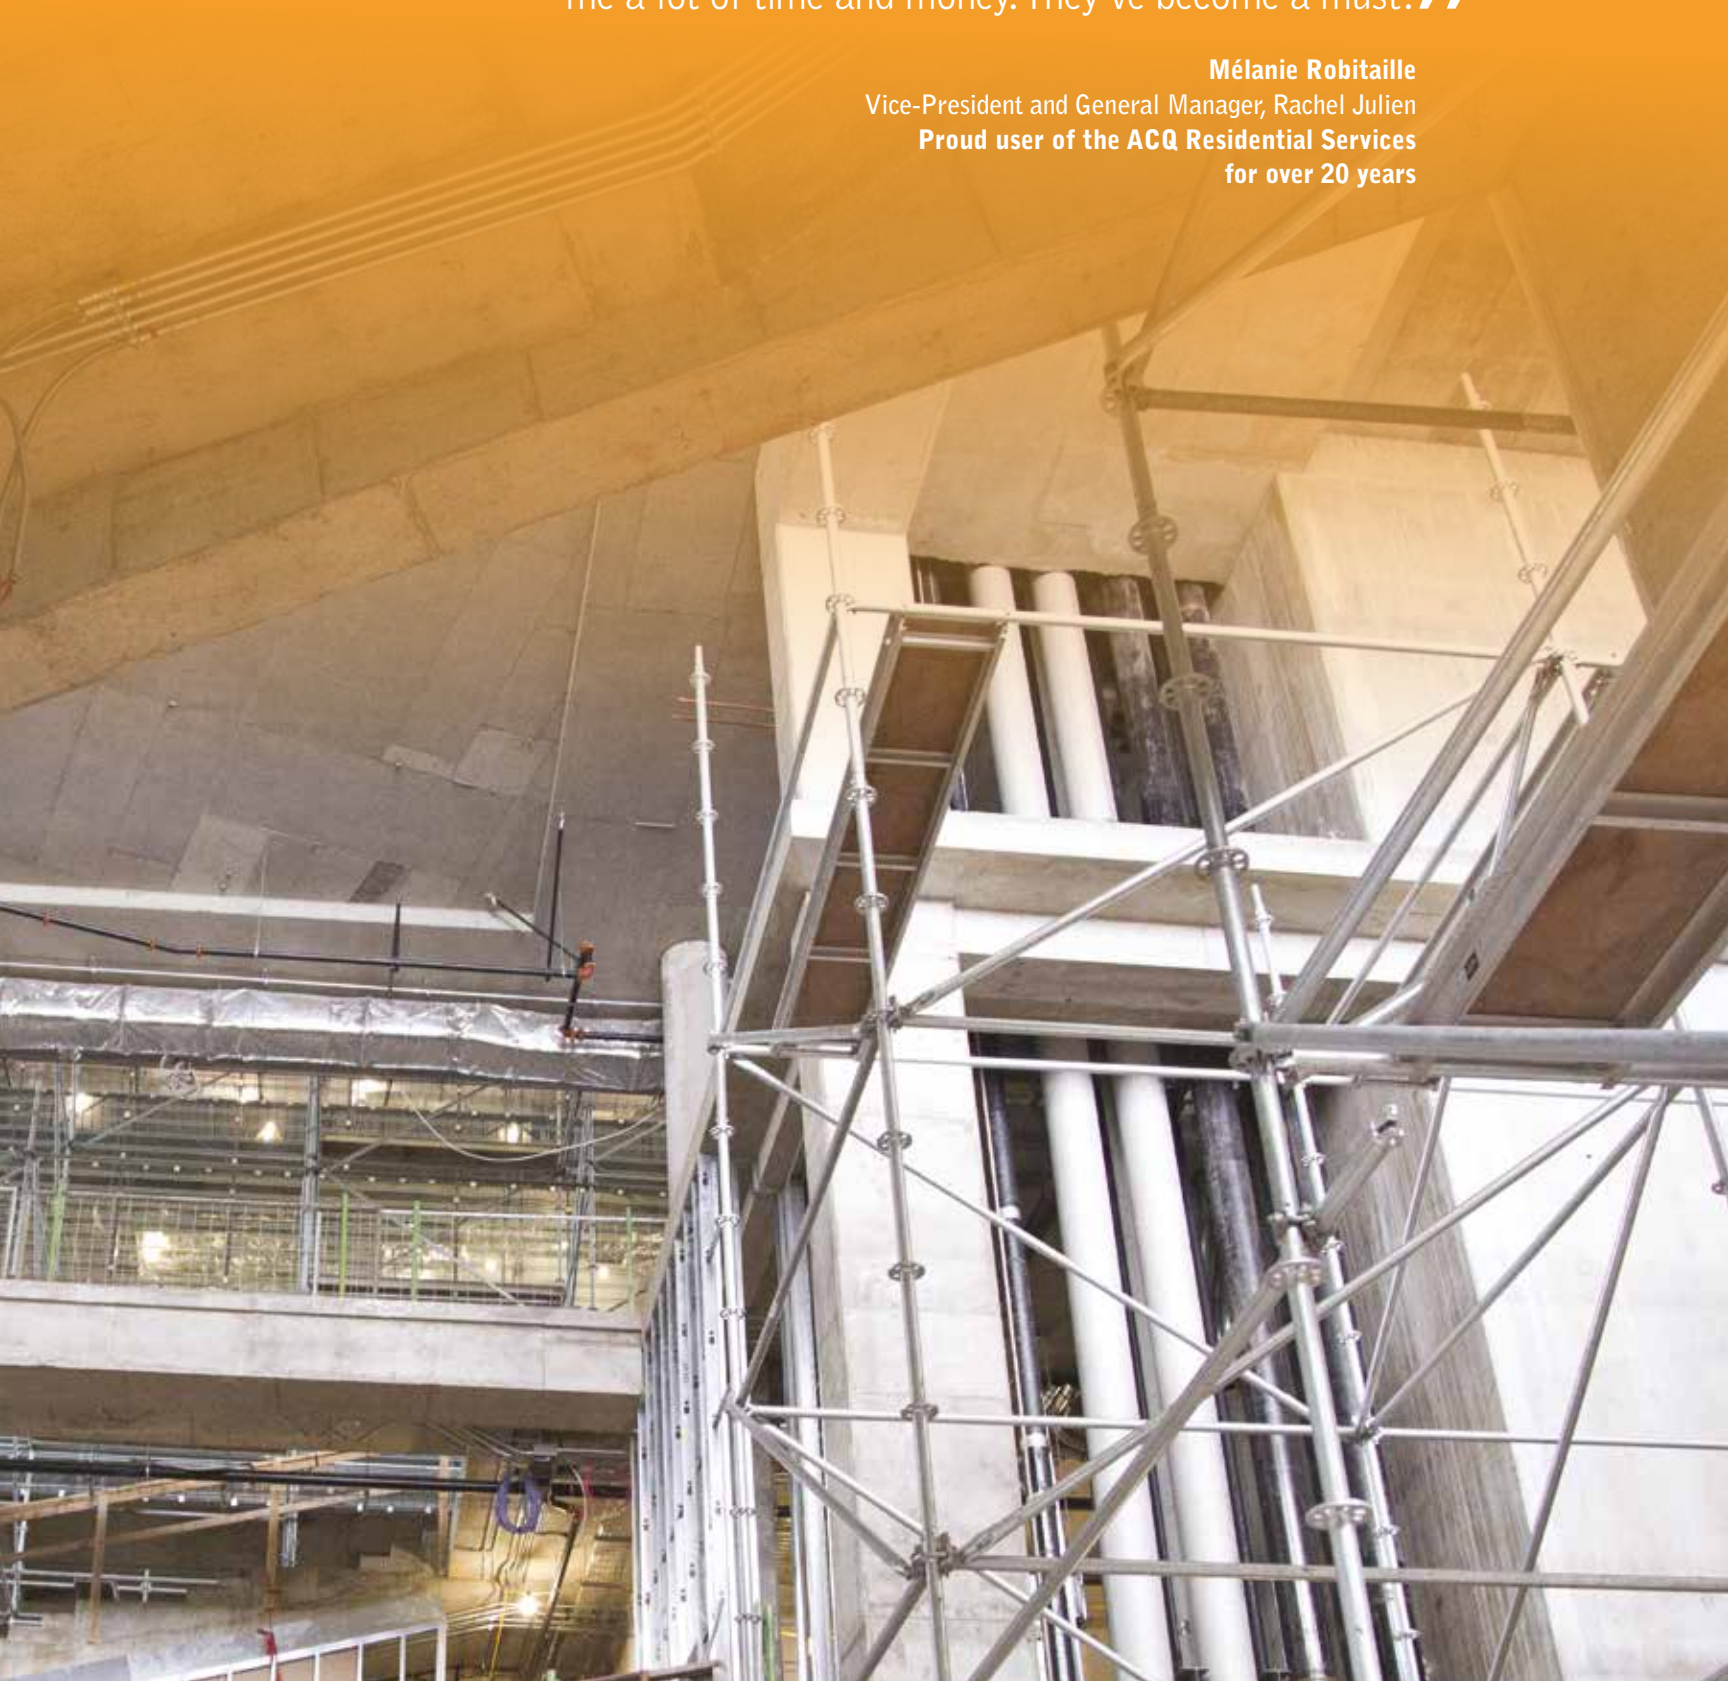

**Steven Tremblay**  
Project Manager, Avalex  
Proud ACQ member since 2005

# RECOGNIZED EXPERTISE

Over the years, the ACQ has established itself as a leader in the construction industry in Québec by offering an array of products and services in all areas to help contractors optimize their productivity and, in turn, support their development and growth.

“ACQ’s products and services save me a lot of time and money. They’ve become a must!”

**Mélanie Robitaille**  
Vice-President and General Manager, Rachel Julien  
Proud user of the ACQ Residential Services for over 20 years

# A MULTISECTORAL ASSOCIATION

SERVING CONTRACTORS IN ALL SECTORS

INSTITUTIONAL — COMMERCIAL — INDUSTRIAL — RESIDENTIAL

**18,000**  
BUILDING CONTRACTORS

**6,500**  
NETWORK MEMBERS

**150**  
ADVISORS AND EXPERTS

# ACQ

## SUPPORTS CONTRACTORS IN ALL FACETS OF THEIR PROFESSION

### KEEPING UP-TO-DATE IN A CHANGING INDUSTRY

The ACQ offers its members a multitude of tools and training courses to keep contractors up to date on current regulations and laws, new technologies, industry news, and new practices in construction management and techniques.

#### TRAINING COURSES

Administration, legal, OHS, LR, HR, RBQ course, techniques and management

#### GUIDES AND DOCUMENTS

Technical data sheets, legislation and laws, document templates, studies and reports

#### NEWSLETTERS AND MAGAZINES

Industry news, trends and innovations, expert columns and special files

### PROMOTING COMPANY GROWTH

To support company growth and development, the ACQ provides contractors with a vast network of experts and quality customized support services. The many activities organized annually by the ACQ also enable contractors to expand their business network with the various players in the industry.

#### SUPPORT AND PROFESSIONAL SERVICES

Experts from all areas available

#### PLAN ROOM

Discover thousands of bids and consult plans and specifications for free

#### NETWORKING ACTIVITIES

Meet new people and share experiences

#### GUARANTEE PLANS

Guarantee products and specialized services for residential buildings

### ENSURING EFFICIENT OPERATIONS

To help contractors manage their day-to-day operations, the ACQ offers several management tools specially designed for them. Through its experienced and specialized advisors, they can quickly obtain answers to their questions regarding all administrative, technical, legal or other activities.

#### TECHNICAL ASSISTANCE

Communicate with technical experts for free

#### LEGAL ADVICE

In construction law, labour standards, laws and regulations

#### CONSULTING

Regional advisors in health & safety and labour relations

### SAVING MONEY

With a well-established network of partners, ACQ members benefit from a number of promotions, exclusive offers and gratuities that provide great savings. The ACQ prevention mutual groups also provide substantial savings on their contributions to the CNESST.

#### PREVENTION MUTUALS

Among the best returns in the industry

#### RBQ LICENCE TRAINING

A quality training program leading to an RBQ licence

#### SECURITY

Several types of financial guarantees are offered, some of which are free

#### PARTNER DISCOUNTS

Hundreds of dollars in discounts, as well as insurance and partnership programs with several professionals

# BECOME A MEMBER

## of the largest employer group in the industry

The ACQ offers its members a local service to support institutional, commercial, industrial and residential contractors from across Québec.

“Thanks to the diversity of its members, the broad ACQ network enables me to maintain business relationships with people dealing with the same realities as us.”

**Julie Duchesne**  
Co-owner, Entreprise Construction Richelieu  
Proud ACQ member since 2015
