

# WE BUILD FUTURES

**Institutional | Commercial | Industrial | Residential**

**ASSOCIATION DE LA  
CONSTRUCTION DU QUÉBEC**

# Our commitment to industry and to contractors:

## Support the growth of construction companies

by developing innovative management tools and by providing networking, training and market development activities.

## Promote new practices

in construction, occupational health & safety (OHS), technological innovation and sustainable construction.

## Represent some 18,000 employers

working in the institutional-commercial and industrial (IC/I) sectors as the management bargaining agent.

## Defend the interests of construction contractors

with government and socio-economic authorities in Quebec and Canada-wide.

# A powerful player promoting the growth of construction in Quebec

The Association de la construction du Québec (ACQ) is a **major player** and the largest management group in the Quebec construction industry. The ACQ has earned a solid reputation for its strong and wide-ranging offer of services across the **institutional-commercial and industrial (IC/I) sectors and the residential sector**. Through our various contractors, we're building Quebec, day by day.

In order to better serve its members, the ACQ is actively working to create conditions of excellence for contractors. This means supporting them in the various facets of their occupations so that they can build with confidence and keep up with the latest industry trends. The ACQ team works to further their interests on major issues, for example by finding solutions to the labour shortage, developing skills, supporting innovative practices, closing the technological gap, and easing administrative and regulatory procedures.

*"The ACQ offers me the kind of support that's instrumental to my company's success."*

**Sarah**, member from the Mauricie-Bois-Francs-Lanaudière Centre-du-Québec region

*"An accessible association that gives us tools and supports us on a daily basis."*

**Camille et Maxime**, members from the Estrie region

# Become a member of the ACQ

## Your daily management partner
